The Fair In Progress

The County Fair is in progress as The Falcon goes to press this week and every thing points to its being a gathering of stock and products that any county might well be proud of. The committees have been busy for several days and there has been a general word of praise from those who have seen the progress of things, for the good work done by C. C. Williams in building the poultry pens and for W. S. Latta for the stock pens. This work would do credit to any county or any town any where and it is the work of the two gentlemen mentioned.

Exhibits began to arrive Wednesday and there has been a steady stream of good things coming ever since that time. Already there have been those saying "I had no idea there was going to be such a good fair."

It means much to Fayette county and her people and we should give it our most cordial support. Several farm exhibits would do credit to the State and Tri-State Fairs. It is all free, entries, admissions, everything, and all premiums are paid in cash.

How Catarrh is Contracted

Mothers are sometimes so thoughtless as to neglect the colds which their children contract. The inflammation of the mucus membrane, at first acute, becomes chronic and the child has chronic catarrh, a disease that is seldom cured and that may prove a life's burden. Many persons who have this loathsome disease will remember having had frequent colds at the time it was contracted. A little forethought, a bottle of Chamberlain's Cough Remedy judiciously used, and all this trouble might have been avoided. Obtainable everywhere.

On October 17 at one o'clock in the afternoon Somerville will have an opportunity to hear Governor Tom C. Rye in an address to the voters of this county in the interest of his candidacy for re-election and in behalf of the other democratic nominees for election in the coming November election. Gov. Rye has served one term as governor of this state and he is able to give a good account of his stewardship. It can be said of him that he has been open and fearless in the discharge of his official duties. He has not always acted as some wanted him to act, none could please every body. But that he has acted openly and conscientiously none will deny. And certainly no man who has been in the executive chamber in a score of years has done more to bring about law-enforcement and a righteous regard for law than he. He is strong, efficient, an earnest democrat, a conservative and sound business man and in hearing him Fayette county democrats will hear not only the present governor of Tennessee, but her next governor as well.

Why Women Suffer

Many Somerville women are learning the cause. Women often suffer, not knowing the cause. Backache, headache, dizziness, nervousness. Irregular urinary passages weakness, languor. Each a torture of itself. Together hint at weakened kidneys. Strike at the root—get at the cause. No other remedy more highly endorsed than Doan's Kidney Pills. Recommended by thousands—Endorsed at home. Here's convincing testimony from a Somerville citizen.

Mrs. M. S. Richie, N. Main St., Somerville says: "I suffered from severe headaches and dizzy spells and felt all run down. I knew that my kidneys needed attention and when a friend urged me to try Doan's Kidney Pills, I did. They soon benefited me and after I had finished two boxes, I was rid of the trouble. I have never had a return attack." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Richchad, Foster-Milburn Co., Props., Buffalo, N. Y.
